ON THE TITLE PAGE:

Item "(57) **ABSTRACT**," the current abstract should be deleted and the following inserted therefor:

-- A method for manufacturing a substrate having a fine line. The method includes a fine-line forming step of forming the fine-line, wherein a narrow-width portion is provided at an end portion of the fine line in a longitudinal direction, and the fine line is formed so that a width of the narrow-width portion is smaller than a width of a portion adjacent to the narrow-width portion. The fine-line forming step includes a step of providing a photosensitive material onto the substrate, a step of projecting light from above the substrate onto a predetermined region on the photosensitive material, and a developing step after the light projection step. --
